

## Tennessee lineworker license plates allow you to show pride in your trade and help fellow lineworkers and their families.

The state of Tennessee has approved the license plate, but they require 1,000 paid preorders before the plates are put into production. Funds raised through the plates go to the **Tennessee Lineworker Lifeline Fund**. This non-profit foundation serves lineworkers and their families when one of our own is killed or injured on the job. If we do not reach 1,000 preorders, you can request a full refund or donate your money to the foundation.

**Your \$35 preorder will be applied to your first lineworker plate.**

**Preorder today: \$35/plate**

First Name	Last Name	Email Address	Address	City	State	Zip	County

Checks should be made payable to the Tennessee Lineworker Lifeline Fund. Mail this form and corresponding payments to Tennessee Lineworker Lifeline Fund, 2964 Sidco Drive, Nashville, TN 37204. Visit [poweringtennessee.org](http://poweringtennessee.org) to learn more.
